Day Race

By Ed Grisamore
Telegraph Staff Writer

Herb Wills, a 19-year-old track star from Florida State University, outdistanced some 1,110 other runners Monday to capture the third annual Macon Tracks 10,000 Meter Labor Day Road Race in course-record time.

Herb Wills

Wills, who crossed the line 34 seconds ahead of second place finisher Kenneth Saint John, turned in a clocking of 30 minutes and 26 seconds to shatter Gary Slayton's mark of 30:30 set in last year's race. Wills finished second to Slayton in that race.

A run of 37:32 by Laura Ledbetter earned her the top finisher's award among women runners and gave the contingency from Tallahassee, Fla. a clean sweep of the top spots both the men's and women's divisions.

Anne Wright of Macon, the top-seeded woman in the race, ran a personal best of time of 37:50 to earn second place honors in the women's competition. Her son, Michael, 7, and daughter, Kathy, 9, were the top finishers in their respective age divisions.

The Athens Roadsters, with three finishes in the Top 10, took the team competition.

AS HUGE CROWDS lined points of the 6.2 mile course that began on Forsyth Road and ended in Central City Park, runners passed through in record numbers.

The 1,111 entries surpassed the number of runner in last year's event by more than 330 and nearly tripled the number that participated in the first race in 1977.

Due to the large number of persons in the Labor Day Road Race and early holiday deadlines Monday, the Telegraph will not be able to publish the list of finishers and their times until Wednesday. The list will be published in the sports section.

The race times were not only faster in Monday's event but the earlier starting time (8 a.m.) and cooler temperatures apparently cut down on the number of race-related injuries. Only one runner, Elmer C. Patterson, was reported hospitalized. He was admitted to the Medical Center of Central Georgia for observation.

And there was a lot more to the third annual race than just a mass of moving legs and pounding feet.

Phillip Mann of the Bibb County Sheriff's Department, the race's lone wheelchair entry, rolled the finish line with a time of 50:38. Michael Murphy of Macon darted across the the 10,000 meter course pushing his eight month old son, Mike, in a baby stroller. A pair of bike racers got in on the action as it moved into the city and several persons on roller skates tagged along in the race.

Wills' anticipated duel with Slayton never materialized as the Tallahassee runner broke away from the pack, grabbed the lead after one mile and never let it go. His second mile split was 9:40 with Slayton eight seconds behind. He widened that margin at the three mile mark on Vineville Avenue with a 14:40.

BY THE TIME Wills had crossed the four mile point near the I-75 bridge, his lead had grown to more than 150 yards over Saint John, Slayton and third-place finisher Jim Futch. The lead at the five-mile marker on Cotton Avenue, which he breezed past at 24:21, set the stage for a one man show as he turned the corner at Walnut Street and dashed into the park unchallenged.

It was his personal best time for a 10,000 meter race on the road. His best ever time of 29:37 was set on an AAU track in Bloomington, Ind. in June.

"I feel quite good about the race," Wills said as he was congratulated by dozens of supporters at the finish line. "I tried to stay relaxed in the early part of the race because there was no use spending all my energy there."

"Gary (Slayton) had warned me about Herb (Wills) but I guess he didn't warn me enough," said Saint John, a 22-year-old from Carrollton and former track teammate of Slayton at Valdosta State. "I wanted to stay with him but..."

Slayton offered no excuses for his distant fourth place finish and failure to return to the winner's circle. "Herb is definitely in good shape and ran a great race," he explained. "I just ran out of gas after about four miles."

Ledbetter, the top woman finisher, was more than a minute and a half off her best effort but still ran well enough to best Wright by 23 seconds and younger sister, Pam, who finished third by one minute and 13 seconds.

"I THOUGHT IT was really humid but I like the course and enjoyed the race," she said.

"I pushed myself hard," said the 34-year-old Wright, who turned in her best personal time ever with a 37:50 and held onto her distinction of never having lost a race in her age group (30-39).

Age group winners for the men in Monday's race were Macon's Michael Wright, 7, with a 50:48 in the nine and under; Valdosta's Robert Durham, 13, with a 36:49 in the 10-14 division; Wills, 19, with a 30:26 in the 15-19 age group; Saint John, 22, with a 31:00 in the 20-29 division; William McChesney with a 32:05 in the 30-39 group; Atlanta's Tommy Owens, 40, with a 36:57 in the 40-49 division; and Decatur's James Strickland, 64, with a 46:59 in the 60 and over age group.

In the women's age group competition it was Kathy Wright of Macon, 9, with a 57:51 in the nine and under; Albany's Jolie Greenway, 14, with a 43:43 in the 10-14 group; Marcia Ann Wills, Tallahassee, Fla., 18, with a 41:10 in the 15-19 division; Ledbetter, Tallahassee, Fla., 26, with a 37:32 in the 20-29; Wright, Macon, 34, with a 37:55 in the 30-39; Yatesville's Judy Taylor, 41, with a 42:27 in the 40-49; and Margaret Wright, Foley Beach, S.C., 58, with a 57:01 in the 50-59 division.

Joseph Kauffmann, Jim Futch, Kyle Poplin and Dennis Gandy were team members of the victorious Athens Roadsters.
