OPEN YOUR HEART + BECOME A HERO!

WHY ADOPTION?

Of the nearly 400,000 American children in foster care* roughly 50% of them are unable to return to their biological homes. When people open their hearts to become the new family to a child, they forever become heroes.

In celebration of that open homes and hearts Providence Church is hosting this special event in support of Necco, just one great organization helping to place children in safe & secure homes.

DRESS THE PART!

Show your support of this great cause by dressing up for our hero themed 5K and Fun Walk. We will also have a Hearts + Heroes Photo Booth where you can capture some great shots to share your support and build awareness for this fantastic cause!

WE BUILD FAMILIES.

Necco serves at-risk youth of all ages and families who face an array of challenges. Our approach is simple. Everyone needs a family, and families come in many forms.

Whether it's the one you're born with, the one that fostered or adopted you, a supported living family dedicated to special needs, or the family you create for yourself as a young adult Necco builds families of all types.

Necco meets individuals where they happen to be in life and offers an array of services designed to create a safe and stable family environment. We provide services like therapeutic foster care, alternatives to secure detention, independent living, intensive home-based treatment, mental health, community living and more.
