## 2020 Registration Form

**September** is *Childhood Cancer Awareness Month*! Please support the **11th Annual 5K Run/Walk** for Joshua's Wish. Our goal for this year is to raise \$30,000 for pediatric cancer research. Pediatric brain tumors and childhood cancer in general require specific research and treatments from those for adults. We will honor children battling cancer and remember those who were taken.

Due to the COVID-19 (Coronavirus) Pandemic, our annual "5K Run/Walk" race will be **VIRTUAL!**  
**Race Dates: September 12-19, 2020.** A virtual race can be completed from any location you choose. You can run, jog or walk at a local trail, in a neighborhood or on the treadmill - whatever makes you comfortable. Basically, run at YOUR own pace and on YOUR own time! *We are excited to help our children...we hope you are too.*
