

A **SOUTHERN COMPANY**

## **Guidelines for Triathlon Swimmers Lake Juliette**

Swimmers must stop by our gatehouse to inform the park hosts that they will be swimming. A list of names that will be using Lake Juliette must be provided to the park hosts to help us keep track of the Triathlon swimmers and to ensure each swimmer has a set of guidelines.

Swimmers can swim from the pavilion only when it is not rented.

- Only towels can be left on the table
- All personal items and clothing should be kept in vehicles
- You can park by the pavilion

Swimmers are allowed in the campground area. Family members are to use the day use area while waiting for swimmers.

Swimmers are to use bathrooms in day use area only. Campground restrooms are only available to our campers.

Swimmers are not to use the showers in the campground. Swimmers are to use the outside shower by the pavilion.

Swimmers (or each vehicle) must purchase an annual park pass. The pass will be marked with a "T" to designate you as a Triathlon swimmer.

We want to ensure that the camping experience is not disrupted for our campers and also ensure that you have a safe and enjoyable swim

**Thank You for abiding by these Guidelines**
