O'Donnell, Woodard claim 10K titles

By Chris Hughes
Telegraph Staff Writer

Michael O'Donnell played the role of the hare and Kathy Woodard played the tortoise.

In this race, both wound up the winner.

The two first-time Labor Day Road Race winners, bested the male and female competition in Monday morning's 10K portion of the event. O'Donnell led the premier field with a winning time of 33 minutes, 41.8 seconds, while Woodard topped the women in 42:22.1.

O'Donnell, a Cochran native who ran under coach Shelly Cranford at Bleckley County High, wore a look of relief after winning. Woodard was in utter disbelief.

"This is just a shock," said

THE WINNERS

- Men's 10K: Mike O'Donnell, 33:41.8.
- Women's 10K: Kathy Woodard, 42:22.1.
- Men's 5K: Alan Black, 14:36.4.
- Women's 5K: Trish Vlastnik, 18:45.9.

Woodard, a Dexter resident. "Because always the Atlanta Track Club people come. And they're always (running) in 30-something minutes. And here I come in slow as a turtle."

Slow or not, Woodard was first. That Woodard and O'Donnell could share.

Outside of that, Woodard and O'Donnell are racing opposites.

Where Woodard is a 42-year-old wife and mother, O'Donnell is a senior year at Clayton State.

Racing is somewhere above a

hobby to Woodard, who let July and August pass without competing in a road race. O'Donnell is shaping up for the start of the fall cross country season.

Woodard was joined by her family at the finish line. Huddled around O'Donnell were Josh Myers and Brandon Mullino, both former All-Middle Georgia cross country runners of the year, who also are in college.

Woodard was dressed in light-colored shorts and T-shirt. O'Donnell ran bare-chested, with a headband boosting up his shaggy hair and more than enough body piercings on his head to set off a metal detector.

For about 10 years now, Woodard

has come from Laurens County to run in the road race. This was O'Donnell's first time on the course since 1999 and his first crack at the longer distance, which he found rather pleasing.

"I felt pretty good," said O'Donnell, who had won his different age groups a few times. "About halfway through the race I really started to feel my legs come around. I love this course. It's probably the best course I've ever run on. The first half is a little slower, but you get to the second half and it's just a drop."

O'Donnell gradually lowered his mile split times from 5:36 to 5:10.

This year O'Donnell was able to compete because the start of the cross country season is still a couple of weeks away.

Before graduating in 1997 from Bleckley County, O'Donnell ran the 5K pretty much every year. Among those to congratulate

O'Donnell on his return to Macon was Mullino, who ran against O'Donnell while in high school at Hawkinsville.

"He whupped my butt (in high school)," said Mullino, who was third overall in the 5K. "Mike tore me up. I'm not really surprised (he won). I've never seen Mike in the 10K. But I'm not surprised."

Woodard ran about the same time Monday as in her last outing in June at a road race in Eatonton. Even after her first-place finish was official, Woodard kept looking around as though she expected another runner to have finished with a better time.

"There's always people 10

minutes ahead of me," Woodard said. "I don't know where they're at this year. I'm very surprised. This is about my normal time. I have not run many races in the past few years. I have slacked up. I just run this one every year because I enjoy it."

The overall winners in the 5K were Alan Black and Trish Vlastnik.

Black, last year's 10K winner, cruised in with a time of 14:36. Black, who's from Eatonton, had won the 10K for three consecutive years.

Comparatively, last year's 5K winner, Michael Strickland, finished in 15:06.
