Event: Lace up your sneakers and join us for the **1st Annual Stride for CTI Virtual 5K**, supporting Wayne County's Career & Technical Instruction (CTI) program! This special event helps support students in grades 9–12 who are enrolled in Career, Technical, and Agricultural Education (CTAE) courses gain the skills, confidence, and opportunities they need to thrive after graduation.

CTI is a student organization that focuses on targeted interventions related to post-secondary education, employment, and real-world experiences. From state leadership conferences and skill competitions to industry tours and community service, CTI gives students access to opportunities that build self-worth, leadership abilities, and career readiness.

By participating in this 5K—whether you run, walk, or roll—you'll be helping fund activities that reward students' growth in CTAE and employability skills. Your support makes it possible for hands-on learning, cultural enrichment, personal development, and recognition for students who are working hard to reach their goals.

Since it's virtual, you can complete your 5K anywhere—your neighborhood, a local park, or even on a treadmill. Every step you take brings a CTI student one step closer to success. This race will be included in the Clover Glove Race Series and Black Bag Race Series. You may run this race anywhere from October 29 – November 12. Submit finish times no later than 12 noon on November 12 to: https://runsignup.com/strideforctivirtual5k/results

How it works:

1. Register for the *Stride for CTI* virtual 5K race. https://runsignup.com/strideforctivirtual5k
2. Complete your 5K anytime during the event window.
3. Submit your time https://runsignup.com/strideforctivirtual5k/results
4. Share your race photos on social media by tagging Wayne County CTI on Facebook or Instagram with #StrideForCTI to celebrate your achievement and inspire others to join!

REGISTER
